

Together (feat. Jason Derulo)

Demi Lovato

Remember love
Remember you and me
Remember everything we shared
On this planet when we cared
Remember hearts
Remember unity
Remember laughing neighbours without expecting favors
why be afraid
To make an honest mistake
If you acknowledge the pain
And you wanna change
You can get through anything
Do you remember at all
People walking hand in hand
Can we feel that love again
Can you imagine it all
If we all could get along
Then we all could sing this song together
Oh oh oh oh oh oh oh oh oh oh
Singing
Oh oh oh oh oh oh oh oh oh oh oh oh oh oh Look at me
Look at you
Now look at me again
See we're not so different
Look around
Take what you see
With throwing things outside our window
We don't care to keep it clean
I had a dream
Beauty was only skin deep
If we all just believe
That is all we need
Nothing else can set you free Do you remember at all
People walking hand in hand
Can we feel that love again
Can you imagine it all
If we all could get along
Then we all could sing this song together
Oh oh oh oh oh oh oh oh oh oh
Singing
Oh oh oh oh oh oh oh oh oh oh oh oh oh oh If we could throw away the hate
And make love last another day
