Together (feat. Jason Derulo)

Demi Lovato

Remember love

Remember you and me

Remember everything we shared

On this planet when we cared

Remember hearts

Remember unity

Remember laughing neighbours without expecting favors

why be afraid

To make an honest mistake

If you acknowledge the pain

And you wanna change

You can get through anything

Do you remember at all

People walking hand in hand

Can we feel that love again

Can you imagine it all

If we all could get along

Then we all could sing this song together

Oh oh oh oh oh oh oh oh oh

Singing

Oh at me

Look at you

Now look at me again

See we're not so different

Look around

Take what you see

With throwing things outside our window

We don't care to keep it clean

I had a dream

Beauty was only skin deep

If we all just believe

That is all we need

Nothing else can set you freeDo you remember at all

People walking hand in hand

Can we feel that love again

Can you imagine it all

If we all could get along

Then we all could sing this song together

Oh oh oh oh oh oh oh oh oh

Singing

Oh fil we could throw away the hate And make love last another day

Don't give up just for today

Life would be so simpleAnd when they talk about us

People walking hand in hand
Can we feel that love again
Can you imagine it all
If we all could get along
Then we all could sing this song together
Oh oh oh oh oh oh oh oh oh oh
Come, come on, come on singing
Oh oh oh oh oh oh oh oh oh oh
Singing

Oh oh oh oh oh oh oh oh oh Singing
