

(Move that ass around)
Drop it, drop it low, girl
(Move that ass around)
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
Drop it, drop it low, girl
