Stay

[Gary Clark Jr.](#)

It's been crazy baby lately I've been acting a fool
Don't take it personal, I've got to do what I do, yeah
But every time I see you
It feels like the first time
Every time I leave you
I lose my mind, yeah
That's why I need you to stay with me
Go all the way with me
I need you to stay with me
Don't just throw it all away with me, yeah
I've never been the type of guy that liked to play by the rules
Maybe you'd understand if you could walk in my shoes, yeah
'Cause every time I see you
Feels like the first time
And every time I leave you
I lose my mind, hell yeah
That's why I need you to stay with me
Baby go all the way with me
I need you to stay with me
Baby don't just throw it all away with me, yeah
C'mon girl, c'mon
Solo
