

Hollow Ponds

Damon Albarn

Shiver

On the hollow ponds

Set sail by a kiss

In the heat wave that hit us all

1976

I felt the percussion

The green man had gone

Half my road was now a motorway

1991

I was by the Black Sea

Two hours in time

Shinier chins and a new school bell

1979

Turned into lake sights

In January

Modern life was sprayed unto a wall

1993

The horses passing tray

A pentangle revels

In the green woods where you walked with you

A ship on hollow ponds was filled

Up with the dreams

We share our known CDs

Every moment now and every day

Every moment now and every day
