

When I Need You

Leo Sayer

When I need you
I just close my eyes and I'm with you
And all that I so wanna give you
Is only a heartbeat away
When I need love
I hold out my hand and I touch love I never knew there was so much love
Keeping me warm night and day
Miles and miles of empty space in between us
A telephone can't take the place of your smile
But you know I won't be traveling forever
It's cold out, but hold out
And do like I do
When I need you
I just close my eyes and I'm with you
And all that I so wanna give you babe
Is only a heartbeat away
It's not easy when the road is your driver
But honey that's the heavy load that we bear But you know I won't be traveling a lifetime
It's cold out, but hold out
And do like I do
Oh, I need you When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day When I need you
Just close my eyeeeeeees
And you'r right here by my side
Keeping my warm night and day
I just hold out my hands
I just hold out my hands
And I'm with you darling
Yes I'm with you darling
All I wanna give you
It's only a heartbeat away
Oh, I need you darling
Oh, I want you darling...
