

# When I Need You

Leo Sayer

When I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you  
Is only a heartbeat away  
When I need love  
I hold out my hand and I touch love I never knew there was so much love  
Keeping me warm night and day  
Miles and miles of empty space in between us  
A telephone can't take the place of your smile  
But you know I won't be traveling forever  
It's cold out, but hold out  
And do like I do  
When I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you babe  
Is only a heartbeat away  
It's not easy when the road is your driver  
But honey that's the heavy load that we bear But you know I won't be traveling a lifetime  
It's cold out, but hold out  
And do like I do  
Oh, I need you When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day When I need you  
Just close my eyeeeeeees  
And you'r right here by my side  
Keeping my warm night and day  
I just hold out my hands  
I just hold out my hands  
And I'm with you darling  
Yes I'm with you darling  
All I wanna give you  
It's only a heartbeat away  
Oh, I need you darling  
Oh, I want you darling...
