

# Unleashed

## Killswitch Engage

You've unleashed the wild within  
Welcome to the madness that dwells inside these eyes  
Pushed unto the breaking point you're running out of time  
This innocent blood is on your hands  
The last of all my tolerance has left this broken man  
I remind you time and time again

Can you feel the pain of those you betrayed

The promises unmade

Broken hearts that fill with shame

And you're to blame

Do they call your name

There's nothing left to say

There's nothing left to say
