

# Circle of Friends

## Point of Grace

We were made to love and be loved  
But the price this world demands  
Will cost you far too much  
Spent so many lonely years just tryin' to fit in  
Now I've found my place  
In this circle of friends In a circle of friends  
We have one Father  
In a circle of friends  
We share this prayer  
That every orphan soul will know  
And all will enter in  
To the shelter of this circle of friends  
If you weep, I will weep with you  
If you sing for joy the rest of us  
Will lift our voices too  
But no matter what you feel inside  
There's no need to pretend  
That's that way it is in this circle of friends In a circle of friends  
We have one Father  
In a circle of friends  
We share this prayer  
That we'll gather together  
No matter how the highway bends  
I will not lose this circle of friends  
Among the nations, tribes, and tounques  
We have sisters and brothers  
And when we meet in Heaven  
We will recognize each other  
With joy so deep (joy so deep)  
And love so sweet (love so sweet)  
We'll celebrate these friends  
And life that never ends In a circle of friends  
We have one Father  
In a circle of friends  
We share this prayer  
That it will not be long  
Before all will enter in  
To the shelter of this circle of friends That it will not be long  
Before all will enter in  
To the shelter of this circle of friends Circle of friends...
