

Zero

The Suicide Machines

I'm not the same as I was when I was young - and neither are you
There's been a lot of changes in the both of us you said you see that too
I've wasted such a lot of time to find I was looking at the wrong things
If its an apology you're waiting for, you could wait a long time I've wasted such a long time to...

Just to feel like a Zero

Life really sucks you know when you

Yeah feel like a Zero

I've wasted such a long time to...

Just to feel like a Zero

You're not the only one who's held me in You said I broke your heart

It would've been the the other way around when I was young

but sooner or later we've all got to grow up I've wasted such a long time to...

Just to feel like a Zero

Life really sucks you know when you

Yeah feel like a Zero

I've wasted such a long time to...

Just to feel like a Zero

I dont know if I should tell you how I'm feeling

chances are you're laughing at me and tell me that I dont know

What I'm saying... It's not my fault! I'm not the same as I was when I was young...
