

# One of a Kind

## Placebo

On top of the world you get nothing done  
Talk is cold and burns like the sun  
Can't you see these skies are breaking  
Cause the top of the world is where I'm from  
The back of the class is where I was  
Keeping quiet playing dumb  
Can't you see these skies are breaking  
Cause the back of the class is where I'm from And I am one  
I am  
I am one  
I am, I am, I am, I am, I am  
I'm on a race and it's killing time  
I don't need yours I'll keep it with mine  
Can't you see these skies are breaking  
Cause I'm on a race and I'm doing fine, thank you  
Two of a kind no one home  
I'm in a crowd and I'm still alone  
Can't you see the skies are breaking  
Cause one of a kind is all I own I am one  
I am  
I am one  
I am, I am, I am, I am, I am Out of the womb and into the void  
I wanna try but I get annoyed  
Can't you see these skies are breaking  
Cause I'm out of the womb and into the void  
I am one  
I am  
I am one  
I am, I am, I am, I am, I am  
I am, I am, I am, I am, I am  
On top of the world you get nothing done
