I Need Your Love (feat. Ellie Goulding)

Calvin Harris

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your loveI need your loveI take a deep breath every time I pass your door
I know you're there, but I can't see you anymore
And that's the reason you're in the dark
I've been a stranger ever since we fell apart
And I feel so helpless here
Watch my eyes are filled with fear
Tell me, do you feel the same?
Hold me in your arms againI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your loveI need your loveNow I'm dreaming, will I ever find you now?
I walk in circles, but I'll never figure out
What I mean to you, do I belong?
I try to fight this, but I know I'm not that strong
And I feel so helpless here
Watch my eyes are filled with fear
Tell me, do you feel the same?
Hold me in your arms againI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your loveI need your loveAll the years
All the times
You have never been to blame
And now my eyes are open
And now my heart is closingAnd all the tears
All the lies
All the waste

I've been trying to make a change
And now my eyes are openI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free
