

We Gon' Last

Mario Vazquez

Verse 1: I confess to you but I know
To be true I need you so
Listen up I'm about to say
Exactly why I feel this way
Let me just collect my thoughts
I never spoken so true before

We But now I'm writing a brand new page Hook: Your the only request that I got in my life, girl
Gon' And you never get old and I never get tired, girl

And I know that your friends hate (yeah)
But I don't care what your friends say (no)

Cuz we are something special
And before the speak on us

Chorus: You tell your friends

Call'em up

Make'em understand

And if they ask

Let'em know

Tell'em I'm your man

And what we got

Is solid to hard to break

And we've got it

It's to hard to take

Gonna tell everyone that you know

We gon' last Verse 2:

I can be with you

And no one else

Glad to have you to myself

When your away it's hard to breathe

And when your hear it's hard to see

Can't ya tell that we're fortunate

That we found a way to click

No one holds my interest like you, yeah Chorus: You tell your friends

Call'em up

Make'em understand

Gon' And if they ask

Let'em know

Tell'em I'm your man

And what we got

Is solid to hard to break

And we've got it

It's to hard to take

Gonna tell everyone that you know

We gon' last
Bridge: I don't need to be reassured
Cuz I know it's in my heart
That you believe I'm yours
But I don't want nobody judging my love, my sincerity, or what's inside of me that's for you girl
Oh baby I need your loving
So tell them that you'll stay right here
And that you'll never go
Hook: And I know that your friends hate (yeah)
But I don't care what your friends say (no)
Cuz we are something special
So before the speak on us
Chorus: You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last
You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last
