

# Gassed Up

## Nebu Kiniza

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up I be so gassed up

Turnt up I be so turnt up right now

Bad bitch super thick

That's the way I like it

I know all about your tricks

So don't you fucking try it

Leave me alone, leave me alone

Let me get this bread

All I want is a crib and a Superhead (Becky!)

Yeah I'm good, yeah I'm good

Don't you worry 'bout me

I get high all the time

While I'm counting money

I be leaning, we be moving

We be dreaming, you'll be losing And I know what she like, I know what she want, I know what she want

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up shawty, said I need 'bout 40

Pull up to the party

Yeah yeah yeah

Gassed up shawty, said I need bout 40

Pull up to the party

Yeah yeah yeah Bad biddie and she love the way I'm swaggin'

Everywhere I go they be like yeah what happened

Looking like a check, I can't even flex

Give me my respect

I fucked your bitch and got that neck

Ain't no stopping, got it going, cop it

All up in my cockpit, she just want what's poppin'  
Aye that ain't nothing to a young G  
Yeah I got that OG  
Yeah I got it so cheap  
Like, smoking till its gone  
Hit it out the bong  
We get lots of strong  
She wanna fuck me long  
It ain't nothing to it, we can get fillet mignon, aye  
5 star plate, 5 star plate, aye  
Gassed up shawty, said I need 'bout 40  
Pull up to the party  
Yeah yeah yeah  
Gassed up shawty, said I need 'bout 40  
Pull up to the party  
Yeah yeah yeah  
Gassed up shawty, said I need 'bout 40  
Pull up to the party  
Yeah yeah yeah  
Gassed up shawty, said I need 'bout 40  
Pull up to the party  
Yeah yeah yeah
