

Untamed Gorilla (feat. JC)

Gorilla Zoe

[JC:]

Yeah, now I'm an Untamed Gorilla
Hit you with the snub nosed 9 millimeter
Find me in the project, straight Hood Nigga
Wear pink... [gun shot:] Yes sir, I'm a hit 'em
I'm an Untamed Gorilla
Yeah, I make the chain do flips on the wrizzurp
Real niggas say (Hey)
If you goin' away running like confetti then let it rain, yeah.

[Gorilla Zoe:]

I'm A-town's Hannibal, muh'fucking cannibal
Untamed Gorilla bitch, you shouldn't have fed da animal
See I have been to hell & back
Sold weed, sold crack
Bust first, bust back
Fuck beef. What's that?
Killed them, shit to loot
Shit to prove. Where's the move?
Time to eat (eat) Where's the food? (food)
Barrel to your head, pistols too (phwaa)
You don't know what the mad nigga gon' do
You don't what the mad nigga there been through
You don't want beef with you know who
Tell 'em what I do
Stay strapped & ball er'night like fuck 'em (fuck 'em)
They ain't killers, they some hoes, dawg & we don't love 'em
See the streets don't know 'em so the hood won't miss 'em
Niggas flirtin' with a killer, let the .45 kiss 'em
2 stacks & your ass knocked out
Another stack I'll have your body dropped off
Your head in a bag comin' back to me
No fingers, no teeth, how they trackin' me.

[JC:]

Now I'm an Untamed Gorilla
Hit you with the snub nosed 9 millimeter
Find me in the project, straight Hood Nigga
Wear pink... [gun shot:] Yes sir, I'm a hit 'em
I'm an Untamed Gorilla
Yeah, I make the chain do flips on the wrizzurp
Real niggas say (Hey)
If you goin' away running like confetti then let it rain.[Gorilla Zoe:]
It's in my bloodline

Gangsta nigga duckin' one time
I'm on the front line, glock 9, Colombine
And my state of mind it's suicidal, fuck ya'll
And if they don't murk me first, then I'm a kill 'em all
Black John Gotti (John Gotti) Kamikaze (Kaze)
Hiroshima shit, block boys in the party.
Where you gonna go (go)? Straight to the park
Someone's who let it snow (snow), you already know.
(So) How you ride? (How you ride?)
Darth Vader on the hoe,
Black Benz, black tint, black gator on the floor,
Black jeans, black hat, black shoes to match
Try me, get smacked
Black Teflon(the)gat.[JC:]
Now I'm an Untamed Gorilla
Hit you with the snub nosed 9 millimeter
Find me in the project, straight Hood Nigga
Wear pink... [gun shot:] Yes sir, I'm a hit 'em
I'm an Untamed Gorilla
Yeah, I make the chain do flips on the wrizzurp
Real niggas say (Hey)
If you goin' away running like confetti then let it rain.[JC:]
Yeah.
Yeah.
Yeah.
