Revolution (Acapella)

R3HAB, NERVO & Ummet Ozcan

I got a love that keeps on fighting And keeps on I got a heart that keeps on trying And keeps on We got these plans that keeps involved And keeps on Even when I hopes is broken We keep on People, that's so much for us to prove So keep on So much for us to do We can start a revolution You and me I said start a revolution Just you and me Start a revolution Start a revolution I got a love that keeps on fighting And keeps on I got a heart that keeps on trying And keeps on People, tell me what you're gonna do So keep on, show me what you're gonna choose 'Cause we can start a revolutionYou and me I said start a revolution Just you and me Start a revolution Just you and me Start a revolution People Start a revolution Song Discussions is protected by U.S. Patent 9401941.
