

# Ai No Corrida

## Quincy Jones

I hold you, I touch you  
In a maze can't find my way  
I think you, I drink you  
I'm being served to you on a tray You see girl  
That's what I go through every day  
Is this the way it should feel? Pinch me, I'm dreaming  
But if it is don't let me know  
I'm drowning, don't save me  
It's just the way I'd like to go You see girl  
You thrill me, half kill me  
That's what you do  
Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else You and nothing else Before my heart saw you  
Each day was just another day Night the lonely interlude just came  
Then blow away  
You know, girl Everything was come what may  
Until you fell in my life  
This spell that I'm under  
Has caught me, I'm in a daze  
Your lightning and thunder  
Sets my poor heart ablaze  
You see girl You thrill me, half kill me  
That's what you do Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself No other thought  
Just you and nothing else  
You and nothing else  
Ai no corrida, that's were I am  
You send me there  
Your dream is my command Ai no corrida, I find myself  
No other thought  
Just you and nothing else  
Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself No other thought  
Just you and nothing else

You and nothing else I hold you, I touch you  
In a maze can't find my way  
I think you, I drink you I'm being served to you on a tray  
You see girl  
That's what I go through every day  
Is this the way it should feel? Pinch me, I'm dreaming  
But if it is don't let me know  
I'm drowning, don't save me It's just the way I'd like to go  
You see girl  
You thrill me, half kill me  
That's what you do Ai no corridita, that's where I am  
You send me there Your dream is my command  
Ai no corridita, I find myself  
No other thought  
Just you and nothing else  
You and nothing else  
Ai no corridita, that's where I am You send me there  
Your dream is my command  
Ai no corridita, I find myself  
No other thought  
Just you and nothing else  
Ai no corridita, that's where I am  
You send me there Your dream is my command  
Ai no corridita, I find myself  
No other thought  
Just you and nothing else  
You and nothing else  
Ai no corridita, that's where I am  
You send me there  
Your dream is my command  
Ai no corridita, I find myself  
No other thought  
Just you and nothing else  
You and nothing else  
Ai no corridita, that's where I am  
You send me there  
Your dream is my command  
Ai no corridita, I find myself  
No other thought  
Just you and nothing else
