

# Jackson

## Nancy Sinatra & Lee Hazlewood

BOTH: We got married in a fever hotter than a pepper sprout  
We been talkin' 'bout Jackson  
JOHNNY: Ever since the fire went out  
I'm goin' to Jackson, I'm gonna mess around (yeah?)  
Yeah, I'm goin' to Jackson, look out Jackson town  
JUNE: Well, go on down to Jackson, go  
ahead and wreck your health (hmm)  
Go play your hand, you big-talkin' man, make a big fool of yourself  
Yeah, yeah, go to Jackson, but go comb that hair  
JOHNNY: I'm gonna snowball Jackson  
JUNE: Go ahead and see if I care  
JOHNNY: When I breeze inta that city, the people gonna stoop and bow (ha ha)  
All them women gonna make me teach 'em what they don't know how  
I'm goin' to Jackson, ya turn-a loose-a my coat  
'cause I'm goin' to Jackson  
JUNE: Goodbye, that's all she wrote  
JUNE: They'll laugh at you in Jackson (I doubt it)  
And I'll be dancin' on a pony keg  
They'll lead you 'round that town like a scalded hound  
With your tail tucked between your legs  
Yeah, yeah, yeah, go to Jackson, you big-talkin' man  
And I'll be waitin' there in Jackson behind my \*Japan\* fan  
BOTH: We got married in a fever hotter than a pepper sprout  
We been talkin' 'bout Jackson ever since the fire went ou-ou-out  
Go to Jackson and that's a natural fact  
We're goin' to Jackson, ain't never comin' back  
BOTH: We got married in a fever hotter than a  
pepper sprout  
FADE  
We been talkin' 'bout Jackson
