Life of the Party

Dawin

You can't turn up
You can't turn up
You can't turn up
You can't turn up
You can't turn up
You can't turn up
You can't turn up without me, out me
'Cause I'm the life of the party, party
Said you can't turn up without me, out me (oh woah)
'Cause I'm the life of the party, party, yeah (oh woah)
You can't turn up without me
I don't think, I don't think so
'Cause I'm the king of the dancefloor
I don't think, I don't think so
You can't turn up without me, out me (without me)
'Cause I'm the life of the party, party
I make your speakers bang!
I make your speakers bang!
Pu-pu-pu-pu-push it, push it, push it
Pu-pu-pu-pu-push it, push it, push it
I be around the block with the boombox
Volume to the top
On the block with the boombox
Volume to the top
On the block with the boombox
Volume to the top
On the block, on the block, block, block
I be around the block with the boombox
Volume to the top
Like a boss, everybody stop
When my crew walk
Then my girl start to go off
Like a robot and drop!
I make your speakers bang!
Get it, get it
Lemme see you get it, oh
You can't turn up without me, out me
'Cause I'm the life of the party, party
Said you can't turn up without me, out me (without me)
'Cause I'm the life of the party, party, yeah
You can't turn up without me
I don't think, I don't think so

'Cause I'm the king of the dancefloor
I don't think, I don't think so
You can't turn up without me, out me (without me)
'Cause I'm the life of the party, party
I make your speakers bang!
I make your speakers bang!
Pu-pu-pu-pu-push it, push it, push it
Pu-pu-pu-pu-push it, push it, push it
I be around the block with the boombox
Volume to the top
On the block with the boombox
Volume to the top
On the block with the boombox
Volume to the top
On the block, on the block, block, block
I be around the block with the boombox
Volume to the top
Like a boss, everybody stop
When my crew walk
Then my girl start to go off
Like a robot and drop!
I make your speakers...
Get it, get it
Lemme see you get it, oh
Get it, get it
Lemme see you get it, oh
