

Elvira (feat. The Oak Ridge Boys)

Home Free

High-ho Silver Away!
Eyes that look like Heab'n
lips like cherry wine
that girl came showin' up makin' my little light shine!
I get a funny feelin'
up and down my spine,
'cause I know that my Elvira's mine!

And I'm singin'

Elvira!

Elvira!

My heart's on fire,

for Elvira!

Giddy Up

...

Giddy Up

...

High ho silver away!

Tonight I'm gonna meet her at the hungry house cafe

I'm a give her all the love I can

Yes I am

she's gonna jump and holler

Cuz I saved up my last two dollars

and we're gonna find that preacher man

And I'm singin'

Elvira!

Elvira!

My heart's on fire, for Elvira!

Giddy Up

...

Giddy Up

...

high ho silver away!

...

Elvira!

Elvira!

Elvira

Elvira!

My heart's on fire

for Elvira!

Giddy Up

...

Giddy Up

...
High ho silver away!
My heart is on Fire!
My heart's on Fire
for Elvira! x2
