

# Hello

## Mindless Behavior

Hello, hello, hello  
When I first saw ya, all I could say  
OMG, how do I make her my baby?  
Plenty girls want me but you ain't the same  
Run it back, handle that, bring my A-game  
Everybody knows the way to girl's heart is what you  
say  
So what you say about us talking on another level?  
If you like what you hear then you can holla back, yeah  
You got me saying, hello, hello, hello,  
hello  
Let me get that info, show you what I mean  
I could make it worth your time  
If I could get you on the line  
You got me saying hello, hello, hello, hello  
Let me get that info, show you what I mean  
I would never waste your time  
If I could get you on the line, you'll be mine  
Pretty girl princess, no, you don't know me  
I'm trying to change that, baby  
Why don't we get up this weekend, see us a movie  
I know you got options, but baby, I'm the real thing  
Everybody knows the way to a girls heart is  
what you say  
So what you say about us talking on another level?  
If you like what you hear then you can holla back, yeah  
You got me saying, hello, hello, hello,  
hello  
Let me get that info, show you what I mean  
I could make it worth your time  
If I could get you on the line  
You got me saying hello, hello, hello, hello  
Let me get that info, show you what I mean  
I would never waste your time  
If I could get you on the line, you'll be mine  
And when I hit you, baby  
I promise you gon' always get the real me  
No more, no less, just say you'll never disconnect  
'Cause I wont have it, I'm not having that  
What you need is right here  
At your fingertips, girl  
Just dial 323-786-9201  
Reach out and touch me  
All the girls in the world  
Who's going through it with me say yeah, yeah, yeah, yeah  
All the fellas in the world  
Who's going through it with me, say yeah, yeah  
You got me saying, hello, hello, hello, hello  
Let me get that info, show you what I mean  
I could make it worth your time  
If I could get you on the line  
You got me saying hello, hello, hello, hello  
Let me get that info, show you what I mean

I would never waste your time, I just wanna get with ya, girl  
If I could get you on the line, guess what?
