

# I'm Walking

Donnie McClurkin

I'm walking in authority  
Living life without apology  
It's not wrong, dear, I belong here  
So you might as well get used to me My mother may not be a queen  
But my father's king of everything  
I'm adopted into the family  
So I guess that makes me royalty And he's given me dominion yes  
Power over men, them yes  
Everything I do is blessed  
Promised me some great success  
I am the authority  
God of the majority  
Livin' in my liberty  
So you might as well get used to me  
I'm walking in authority  
Living life without apology  
It's not wrong, dear, I belong here  
So you might as well get used to me We're children of the most-high God  
Understand and believe his word  
We never have to beg or plead  
For our father will supply our needs And he's given me dominion yes  
Power over men, them yes  
Everything I do is blessed  
Promised me some great success  
I am the authority  
God of the majority  
Livin' in my liberty  
So you might as well get used to me  
I'm walking in authority  
Living life without apology  
It's not wrong, dear, I belong here  
So you might as well get used to me I'm walking in prosperity  
Living life the way it's meant to be  
It's not wrong, dear, I belong here  
So you might as well get used to me Get something in your hand  
Get something in your hand  
Get something in your hand  
Get something in your hand And wave it in the air  
And wave it in the air  
And wave it in the air  
And wave it in the air I said 1, 2, 3  
1, 2, 3

1, 2, 3

So you might as well get used to me I'm walking in authority  
Living life without apology  
It's not wrong, dear, I belong here

So you might as well get used to me I'm walking in prosperity  
Living life the way it's meant to be  
It's not wrong, dear, I belong here

So you might as well get used to me Get something in your hand  
Get something in your hand And wave it in the air  
And wave it in the air I said 1, 2, 3

1, 2, 3

1, 2, 3

So you might as well get used to me I'm walking in authority  
Living life without apology  
It's not wrong, dear, I belong here

So you might as well get used to me I'm walking in prosperity  
Living life the way it's meant to be  
It's not wrong, dear, I belong here

So you might as well get used to me
