

# Come Alive

[Netsky](#)

Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoooooa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa Too good to be true our worlds collide  
Now I understand why  
It's been so long on the other side  
Feel my heart was gonna die  
So look straight into my eyes  
Tell me the truth and not lies  
Put your hands up testify  
And my heart will come alive  
And my heart will come alive  
And my heart will come alive Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoooooa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa  
Whoa whoa whoa whoa Too good to be true our worlds collide  
Now I understand why  
It's been so long on the other side  
Feel my heart was gonna die  
So look straight into my eyes  
Tell me the truth and not lies  
Put your hands up testify  
And my heart will come alive  
And my heart will come alive  
And my heart will come alive And my heart will come alive
