

# Seven Wonders of the World

Mel Brooks & Carl Reiner

Tell me loving's not wrong  
Don't tell me, don't tell me I'm wrong for wanting you  
They say that lovers belong  
But I'm waitless<sup>1</sup>, I've waited too long for substitutes I've been tearing at the wall,  
Tearing at the wall and I'm breaking through  
and in the madness of it all  
You know that I'll be ready to die for you 7 wonders of the world, 7 wonders of the world  
But nothing that compares to you  
There is nothing down on earth  
Nothing that compares to you  
It's gonna get around  
I'm breaking out of bounds  
Because it's obvious, obvious  
7 wonders of the world  
But nothing that compares to you  
Devoted to crossing the line  
that someone has drawn and make a round in front of me  
Reckless and making my way  
And I'm changing, so never regret the man I am Oh! 'Cause I've been tearing at the wall  
Tearing at the wall and I'm breaking through  
and in the madness of it all  
You know that I'll be ready to die for you 7 wonders of the world, 7 wonders of the world  
But nothing that compares to you  
There is nothing down on earth  
Nothing that compares to you  
It's gonna get around  
I'm breaking out of bounds  
Because it's obvious, obvious  
7 wonders of the world  
But nothing that compares to you  
Loving you is all that I know, oh yeah!  
There's no other time than right now, oh uoh! 7 wonders of the world  
but nothing that compares to you 7 wonders of the world, 7 wonders of the world  
But nothing that compares to you  
There is nothing down on earth  
Nothing that compares to you  
It's gonna get around  
I'm breaking out of bounds  
Because it's obvious, obvious  
7 wonders of the world  
But nothing that compares to you
