Sonny Digital

[Verse 1: Sonny Digital]

Back in the studio

Bitch I'm [?]

Please don't act like no groupie, ho

We don't fuck with no groupies, ho

I'm a Don like Julio

You a lame, a goofy bro

Put my [?] on Guccis bro

Please don't act like you knew me bro

Yeah I can't deny these facts

When I came up, pockets was flat

When I'm winning, I ran up a set

Salute a young nigga for that

You didn't believe

I leave you right where you at

I came from racks in the racks

Now I got racks and 'em racks

And 'em racks

[Chorus: Sonny Digital]

I got the racks, I got the Benz

I got the gas, I got the Henn'

I got that check, got that advance

I got that check mama got it advance

I got it, she got it

He got it, we got it

Ay, ay
