

The Weekend

Eden xo

Shoop shoop
Shoo be doop doop
Doo doo doop
Shoo be doop doopShoop shoop
Shoo be doop doop
Doo doo doop
Shoo be doop doopStarted from the bottom with a plan to get rich
So I could chill everyday like one bad bitch
But I'm stuck in the middle and I'm tryna get by
Yeah we all need a little, a little break some timeOh my god, it's the weekend
Hands up for the weekend
Oh my god, it's the weekend
Hands up for the weekend
We can let go
Sipping rose
On that poolside
Mandalay Bay
Wanna be friends
Phoebe Buffay
Can't get enough of my hot tamaleOh my god, it's the weekend
Hands up for the weekend
Oh my god, it's the weekend
Like every dayShoop shoop
Shoo be doop doop
Doo doo doop
Shoo be doop doopLike every day
Shoop shoop
Shoo be doop doop
Doo doo doop
Shoo be doop doopMy hustle pay enough I can pay my rent
Got a team up in Paris and I don't speak French
Got a dream that I'm chasing like it's already mine
Got a Monday I'm erasing, replacing it with tonightOh my god, it's the weekend
Hands up for the weekend
Oh my god, it's the weekend
Hands up for the weekendWe can let go
Sipping rose
On that poolside
Mandalay Bay
Wanna be friends
Phoebe Buffay
Can't get enough of my hot tamaleOh my god, it's the weekend

Hands up for the weekend
Oh my god, it's the weekend
Like every dayGetting dumb in the morning
Dumb in the evening
Dumb like a cherry flavDumb in the morning
Dumb in the evening
Dumb like a cherry flavHey it's the weekend
Every day a weekend
Everybody listen up, listen up
Cause here comes the ice cream truckShoop shoop
Shoo be doop doop
Doo doo doop
Shoo be doop doop(Shoop shoop)
(Shoo be doop doop)
Oh my god, it's the weekend
Hands up for the weekend
We can let go
Sipping rose
On that poolside
Mandalay Bay
Wanna be friends
Phoebe Buffay
Can't get enough of my hot tamale
Oh my god, it's the weekend
Hands up for the weekend
Oh my god, it's the weekend
Like every day
Like every day
Doo, doo, doo, doo
