

Empty Apartment

Yellowcard

Called me out
You stayed inside
One you love
Is where you hide
Shot me down as I flew by
Crash and burn
I think sometimes you forget where the heart is
Answer no to these questions
Let her go, learn a lesson
It's not me, you're not listening
Now can't you see something's missing?
You forget where the heart is
Take you away from that empty apartment
You stay and forget where the heart is
Someday if ever you love me you'd say it's okay
Waking up from this nightmare
How's your life, what's it like there?
Is it all what you want it to be?
Does it hurt when you think about me?
And how broken my heart is
Take you away from that empty apartment
You stay and forget where the heart is
Someday if ever you love me you'd say it's okay
It's okay to be angry and never let go
It only gets harder the more that you know
When you get lonely if no one's around
You know that I'll catch you when you're falling down
We came together but you left alone
And I know how it feels to walk out on your own
Maybe someday I will see you again
And you'll look me in my eyes and call me your friend
Take you away from that empty apartment
You stay and forget where the heart is
Someday if ever you love me you'd say it's okay
It's okay
It's okay
