

Everything (Kaskade's Big Room Mix)

Kaskade

I'm finding the more I see the more I can see
Now I'm not hiding anymore, yeah, yeah Come on, baby, let me know how you feel
Come on take me, I can see this is real Ever since your love filled my life
I see it's changing everything
Don't you know the way you move me
It's so right, it's better than anything You are the star in the night time
Shining for me, baby
Love is so right
Come on, I'm feeling everything
You know me in a way like no one ever before
You hold me forever, yeah, yeah Come on, baby, let me know how you feel
Come on take me, I can see this is real Ever since your love filled my life
I see it's changing everything
Don't you know the way you move me
It's so right, it's better than anything
You are the star in the night time
Shining for me, baby
Love is so right
Come on, I'm feeling everything Come on, baby
Come on, baby
