

Bye Bye

Jo Dee Messina

Boy you sure look good there standin'
In the doorway in the sunset light
Maybe I read you wrong thinkin'
You could be my Mr. Right I was puttin' my heart and soul on the line
Said you needed some time
Just a little more time to make up your mind
Well, it's been long enough, time is up Bye bye love, I'll catch you later
Got a left foot down on my accelerator
And the rearview mirror torn off
I ain't never lookin' back and that's a fact I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye
Don't think all those tears are gonna hold me here
Like they've done before
You'll find what's left of us
In a cloud of dust on Highway 4 Baby, what did you expect me to do
Just sit around and wait on you
Well, I'm through watchin' you just skate around the truth
And I know it sounds tight, I've seen the light Bye bye love, I'll catch you later
Got a left foot down on my accelerator
And the rearview mirror torn off
'Cause I ain't never lookin' back and that's a fact I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye
I'd lost the game I guess
I did my best to win the part
Now I'm leavin' here with
What's left of my heart Bye bye, I'll catch you later
Got a left foot down on my accelerator
And the rearview mirror torn off
'Cause I ain't never lookin' back, you can count on that I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye Bye bye, oh baby, oh oh
Bye bye, bye bye my baby, bye bye
