

Semi-Charmed Life

Third Eye Blind

Doo doo doo, doo doo-doo doo...I'm packed and I'm holdin'
I'm smilin', she's livin', she's golden
She lives for me, says she lives for me
Ovation, her own motivation
She comes round and she goes down on me
And I make her smile, like a drug for you
Do ever what you wanna do, comin' over you
Keep on smilin' what we go through
One stop to the rhythm that divides you And I speak to you like the to the verse
Chop another line like a coda with a curse
Come on like a freak show takes the stage
We give them the games we play, she said...
I want somethin' else, to get me through this
Semi-charmed kinda life, baby, baby
I want somethin' else, I'm not listenin' when you say good-bye Doo doo doo, doo doo-doo
doo...The sky was gold, it was rose
I was takin' sips of it through my nose
And I wish I could get back there, someplace back there
Smilin' in the pictures you would take
Doin' crystal meth, will lift you up until you break
It won't stop, I won't come down
I keep stock with the tick-tock rhythm, I bump for the drop
And then I bumped up, I took the hit that I was given
Then I bumped again, then I bumped again
I said...How do I get back there, to the place where I fell asleep inside you
How do I get myself back to the place where you said...
I want somethin' else, to get me through this
Semi-charmed kinda life, baby, baby
I want somethin' else, I'm not listenin' when you say good-bye I believe in the sand beneath my
toes
The beach gives a feeling, an earthy feeling
I believe in the faith that grows
And the four right chords can make me cry
When I'm with you I feel like I could die
And that would be alright, alright And when the plane came in, she said she was crashin'
The velvet it rips in the city, we tripped on the urge to feel alive
Now I'm struggling to survive, those days you were wearing that velvet dress
You're the priestess, I must confess
Those little red panties they pass the test
Slide up around the belly, face down on the mattress One
And you hold me, and we're broken
Still it's all that I wanna do, just a little now

Feel myself, heading off the ground
I'm scared, I'm not comin' down
No, no
And I won't run for my life
She's got her jaws now, locked down in a smile
But nothin' is alright, alright
And I want somethin' else, to get me through this life
Baby, I want somethin' else
Not listenin' when you say...
Good-bye, good-bye, good-bye, good-bye
Doo doo doo, doo doo-doo doo...
The sky was gold, it was rose (Doo doo doo, doo doo-doo doo...)
I was takin' sips of it through my nose (Doo doo doo, doo doo-doo doo...)
And I wish I could get back there (Doo doo doo, doo doo-doo doo...)
Someplace back there, in the place we used to start (Doo doo doo, doo doo-doo doo...)
I want somethin' else (Doo doo doo, doo doo-doo doo...)
