

# I Bet

Mario Vazquez

Ohhh(Verse 1:)

Three times this same week you been askin' to come to my crib  
Girl you got a problem and I know what it is  
You done got a little taste of incredible that's got you out of pocketing and you don't know why  
And it should come as know surprise  
That I got something that blows your mind(Hook:)

I think it's the way that I move

The things that I do

That's a little different

From the things that you did

When your not here

And that's why your trippin'

I bet he don't

(Chorus:)

I bet he don't give you whatcha need

I bet he don't give you watchu want

Said I bet, said I bet he don't do it like me

That's why you always trying to be alone

I bet he don't kiss ya right

Don't miss you right

Don't handle his like I handle mine

I bet he can't do it like me

No, no, no, no baby(Verse 2:)

So don't try to fight it

You can't hide it from me, no

What I said, tried to fix

Everyday, you a hit

You can't let it go 'cause your love is so

Now you say your not sprung and any day you'll be through

That's why I got

Five missed calls on my phone

And they all come from you

(Hook:)

I think it's the way that I move

The things that I do

And that's a little different

From the things that you did

When your not here

And that's why your trippin'

I bet he can't(Chorus:)

I bet he don't give you whatcha need

I bet he don't give you watchu want

Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby(Bridge:)  
Let me say one thing  
I know to be true  
That he don't understand your body  
Quite like I do  
And the feeling that you get is so ridiculous  
It's hard to quit  
Oh, I betcha he(Chorus:)  
I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby  
I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby
