

# Unaware

Allen Stone

Every day, the deficit grows  
You spend more than you own  
Papa always said to me  
"Keep a close eye on your authority," You say that you care  
I was unaware  
You say that you care  
I was unaware All you do is push, pull, tear  
We can't stretch it any farther  
Push, pull, tear  
We can't stretch any farther Every day, taxes increase  
So is this our land or is this our lease?  
Papa said, "Son, it's the land of the free,"  
As he broke his back trying to make ends meet  
You say that you care  
I was unaware  
You say that you care  
I was unaware All you do is push, pull, tear  
We can't stretch any farther  
Push, pull, tear  
We can't stretch any farther  
Push, pull, tear  
We can't stretch any farther  
Push, pull, tear Yeah  
You say that you care  
I was unaware  
You say that you care  
I was unaware  
'Cause all you do is push, pull, tear  
Oh, all you do is push, pull, tear  
Oh, push, pull, tear  
We can't stretch it any farther  
Push, pull, tear  
No, no  
We can't stretch it any farther  
Push and pull, tear  
We can't stretch any farther, no  
We can't stretch it any farther  
Push, pull, tear  
We can't stretch any farther, no, no.
