

The Storm (Short Version)

[Jerry Ropero](#)

Living a dream
places that i've seen
t's nothing without you
searching my soul
don't know if you know
i'm nothing without you
remeber when we
we were young and free
innocent virtue
searching my soul
little that i know
i'm nothing without you
and the storm is calling yaeh
i miss the sunrise on your face
the sunlight
the rain is falling yeah
since you left without a trace
the storm is falling yeah
it's all the seasons in one day
you here me calling
