

The Lady Wants to Know

Michael Franks

Daddy plays the ashtray
Baby starts to cry
The lady wants to know
The reason why Daddy's just like cold train
Baby's just like miles
Lady is just like heaven
When she smiles REFRAIN:
The lady wants to know
She wants to know the reason
Got to know the reason why
This man has got to go
This man is always leaving
How he hates to say goodbye
But she doesn't know
Is there really no reason
Really is no reason why INSTRUMENTAL
REPEAT REFRAIN
Daddy he hates airplane
Baby loves to fly
The lady wants to know the reason why
Daddy's just like cold train
Baby's just like miles
The lady is just like heaven
When she smiles REPEAT REFRAIN
