

How Come the World Won't Stop

Anastacia

Somebody told me you were not coming home,
The words suspended in time, and the air suddenly went cold,
The sun is still shining, but everything feels like rain
And if I had one wish, it would be to see you again
Nothing's fair, when we lose
Without a moment to say goodbye
How come the world won't stop spinning now that your
gone?

I know every end has beginnings
But this one's so wrong, so wrong
Caught in the middle,
Wrong place wrong time,
And I'm hopelessly missing you,
And I can't stop the night
Nothing's fair, anymore,
And I know there's a better place,
And I'll never stop dreaming of you
How come the world won't stop spinning
now that you're gone?

I know every end has beginnings
But this one's so wrong, so wrong
How can the seasons keep changing
Since you disappeared?
Tell me how come the world won't stop,
How come the world won't stop?
Sweet tears are shared,
This pain we lay to rest,
It's hard letting go,
But I keep movin on,
In a place I don't belong.

How come the world won't stop spinning
now that you're gone?

I know every end has beginnings
But this one's so wrong
How can the seasons keep changing
since you disappeared?
Tell me how come the world won't stop,
How come the world won't stop
How come the world won't stop spinning
now that you're gone?

I know every end has beginnings but this one's so wrong,
So wrong.
