

# Living In America

## James Brown

Yeah, uh! Get up, now!  
Ow! Knock out this! Super highways, coast to coast  
Easy to get anywhere  
On the transcontinental overload  
Just slide behind the wheel  
How does it feel When there's no destination that's too far  
And somewhere on the way  
You might find out who you are Living in America  
Eye to eye, station to station  
Living in America  
Hand to hand, across the nation  
Living in America  
Got to have a celebration  
Rock my soul  
Smokestack, fatback  
Many miles of railroad track  
All night radio, keep on runnin' through  
Your rock 'n' roll soul  
All night diners keep you awake, hey  
On black coffee and a hard roll You might have to walk the fine line  
You might take the hard line  
But everybody's working overtime Living in America  
Eye to eye, station to station  
Living in America  
Hand to hand, across the nation  
Living in America  
Got to have a celebration I live in America, help me out  
But I live in America  
Wait a minute  
You might not be looking for the promised land  
But you might find it anyway  
Under one of those old familiar names  
Like New Orleans (New Orleans)  
Detroit City (Detroit City), Dallas (Dallas)  
Pittsburgh P.A. (Pittsburgh P.A.)  
New York City (New York City)  
Kansas City (Kansas City)  
Atlanta (Atlanta)  
Chicago and L.A. Living in America - hit me  
Living in America - yeah  
I walk in and out  
Living in America I live in America - state lines

Gonna make the prime, that  
I live in America - hey  
I know what it means, I Living in America  
Eddie Murphy, eat your heart out  
Living in America  
Hit me, I said now  
Eye to eye, Station to station  
Living in America  
So nice, with your bad self  
Living in America - I feel good!
