

# I Shall Be Released

[Nina Simone](#)

They say everything can be replaced  
They say every distance is not near  
So I remember every face  
Of every man who put me here I see my light come shining  
From the west down to the east  
Any day now any day now  
I shall be released They say every man needs protection  
They say every man must fall  
so I swear I see my reflection  
Somewhere inside these walls  
I see my light come shining  
From the west unto the east  
Any day now any day now  
I shall be released yonder stands a man in this lonely crowd  
man who swears he's not to blame  
All day long I hear him hollering so loud  
just crying out that he's not to blame  
I see my light come shining  
From the west down to the east  
Any day now any day now  
I shall be released
