

Apartment Story

The National

Be still for a second while I try
And try to pin your flowers on
La, la, la, la Can you carry my drink I have everything else
I can tie my tie all by myself
I'm getting tied, I'm forgetting why Oh, we're so disarming darling, everything we did believe
Is diving, diving, diving, diving off the balcony
Tired and wired we ruin too easy
Sleep in our clothes and wait for winter to leave Hold ourselves together with our
Arms around the stereo for hours
La, la, la, la While it sings to itself or whatever it does
When it sings to itself of its long lost loves
I'm getting tied, I'm forgetting why
Tired and wired we ruin too easy
Sleep in our clothes and wait for winter to leave
But I'll be with you behind the couch when they come
On a different day just like this one We'll stay inside till somebody finds us
Do whatever the TV tells us
Stay inside our rosy-minded fuzz for days We'll stay inside till somebody finds us
Do whatever the TV tells us
Stay inside our rosy-minded fuzz So worry not
All things are well
We'll be alright
We have our looks and perfume Stay inside til somebody finds us
Do whatever the TV tells us
Stay inside our rosy-minded fuzz
So worry not
All things are well
We'll be alright
We have our looks and perfume on
