

# You Were Right Girl

Natalie Cole

It's hard to say how long its been, but once upon a time  
You were my best friend, I'm sorry I hurt you but I loved him, loved him  
You said I'd get hurt in the end, you tried to warn me with good advice  
Instead of listening, I paid the price, yes I did, you told me back then  
You said he'll love you, leave you, you said his heart was cold as ice  
And you were right girl, yes, he played me for a fool, (you were right girl)  
    Hmm, it all came true, (you were right girl), I know  
    I should have known it all along, (you were right girl)  
Yes, you were right and I was wrong, I thought you blamed him for your mistakes  
    That all your put downs were just sour grapes, you told me back then  
    That they'll be lyin, cryin' and it won't be his heart that breaks  
    And ooh, (you were right girl) you were right girl  
    He played me for a fool, (you were right girl) oh  
    It all came true, you were (you were right girl) right girl  
    Yes, I should have known it all along (you were right girl)  
    You were right girl, you were right and I was wrong  
    Oh, what made me think that I was different from you  
    That I could make him do what he wouldn't do for you  
    Now you told me back then I'd never change him, change him  
    But he'd change me before he's through, and ooh (you were right girl)  
    You were right girl, he played me for a fool, he really did  
    (You were right girl) well, it all came true, (you were right girl)  
You were so right, I should have known it all along (you were right girl)  
    Oh, yes, you were right and I was wrong, oh, (you were right girl)  
    He really played me for a fool, (you were right girl)  
    Nah, nah, nah, nah, nah, it all came true (you were right girl)  
    yeah, (you were right girl) you were right girl  
    I should have known it all along, (you were right girl)  
You were right girlfriend, you were right and I was wrong, woo, woo, woo  
    (You were right girl) you were right my girl, (you were right girl)  
    You were right my girl, he played me for a great big fool
