

Liberation Frequency

Refused

It's coming through the air
For all of us to hear
Could it be the sounds of liberation
Or just the image of detention We want the airwaves back
We want the airwaves back
We don't just want airtime
We want all the time
All of the time We want the airwaves back
We want the airwaves back
We don't just want transmission
We want
ow
What frequency are you getting
Is it noise or sweet sweet music
What frequency will liberation be
What frequency will liberation be It's coming through the air
For all of us to hear
Could it be the sounds of liberation
Or just the image of detention Control my flower
Business, news all ready to devour
Who's in charge and what does he say
Is he playing the alternative or does it sound the same old way We want the airwaves back
We want the airwaves back
We want transmission for the people (by the people)
We mean
We wanted everything
We needed everything
We needed everything What frequency are you getting
Is it noise or sweet sweet music
What frequency will liberation be
What frequency
What frequency What frequency are you getting
Is it noise or sweet sweet sweet s-sweet
What frequency will liberation be
What frequency
What frequency
What frequency We want the airwaves back
We want the airwaves back
We don't just want airtime
We want all the time
All of the time What frequency are you getting
Is it noise or sweet sweet music

What frequency will liberation be
What frequency will liberation be What frequency are you getting
Is it noise or sweet sweet sweet
What frequency will liberation be
What frequency
What frequency
