## Kasabian

One take control of me  
You're messing with the enemy  
Said it's two, it's another trick  
You're messin' with my mind, I wake up  
Chase down an empty street  
Blindly snap the broken beats  
Said it's gone with the dirty trick  
It's taken all these days to find yaOoosh  
I tell you I want you  
Ooosh  
I tell you I need you  
Friends take control of me  
Stalking cross the gallery  
All these pills got to operate  
The colour quits and all invade us  
There it goes again  
Take me to the edge again  
All I got is a dirty trick  
I'm chasin down all walls  
to save yaOoosh  
I tell you I want ya  
Ooosh  
I tell you I need ya  
Ooosh  
The blood ain't on my face  
Ooosh  
Just wanted you near me  
Ooosh  
I tell you I want you  
Ooosh  
I tell you I need you  
Ooosh  
The blood ain't on my face  
Just wanted you near me  
I tell you I want you  
I tell you I need you  
The blood ain't on my face  
Just wanted you near me
