Kasabian

One take control of me You're messing with the enemy Said it's two, it's another trick You're messin' with my mind, I wake up Chase down an empty street Blindly snap the broken beats Said it's gone with the dirty trick It's taken all these days to find yaOoosh I tell you I want you Ooosh I tell you I need you Friends take control of me Stalking cross the gallery All these pills got to operate The colour quits and all invade us There it goes again Take me to the edge again All I got is a dirty trick I'm chasin down all walls to save yaOoosh I tell you I want ya Ooosh I tell you I need ya Ooosh The blood ain't on my face Ooosh Just wanted you near me Ooosh I tell you I want you Ooosh I tell you I need you Ooosh The blood ain't on my face Just wanted you near me I tell you I want you I tell you I need you The blood ain't on my face Just wanted you near me
