

No Pretending (feat. Raekwon & Big Remo)

9th Wonder

[9th Wonder]

From the Benz to Impallas, fistful of cash
A bank account, matter of fact, quick to hand me one, blast
Instead of maxing in the winter, I'm in Japan with my kin
Hydro spraying a blunt, while Duke do the glasse
Never did comical, quick to
Change up the slangin and bring the beef to you
Just like McDonalds do
