## It Ain't None of Your Business

## **Missing Persons**

Don't - tell me what to do And don't you ask me where I'm going to

I have to do what's right for me

Why is that so hard for you to see? Tryin to get along with you is not an easy thing to do Your suspicious nature drives me mad

You're wrecking everything that we hadIt ain't none of your business

Where I'm going

It ain't none of your business

Who I'm seeing

It ain't none of your businessSo stop fooling around with my life

You can't possibly know what it's like

To be inside of me

I'm on my own why can't you just leave me alone?

I have always trusted you

If I can do it you can too

What I do is my concern

Now you're just gonna have to learnIt ain't none of your business

Where I'm going

It ain't none of your business

Who I'm seeing

It ain't none of your business

What I'm doing

It ain't none of your business

It ain'tYou've got to take me serious

you're making me delirious

I feel like someone who's in jail

Now let go of my shirt tail

This kind of thing has got to stop

Relationship is on the rocks

I can't take it anymore

You're driving me right out of the doorIt ain't none of your business

Who I'm seeing

It ain't none of your business

What I'm doing

It ain't none of your business

## It ain't It ain't none of your business
