

The World Is A Ghetto

War

Walkin' down the street, smoggy-eyed
Looking at the sky, starry-eyed
Searchin' for the place, weary-eyed
Crying in the night, teary-eyed Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto Wonder when I'll find paradise
Somewhere there's a home sweet and nice
Wonder if I'll find happiness
Never give it up now I guess
Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto There's no need to search anywhere
Happiness is here, have your share
If you know you're loved, be secure
Paradise is love to be sure Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto
