

# The World Is A Ghetto

## War

Walkin' down the street, smoggy-eyed  
Looking at the sky, starry-eyed  
Searchin' for the place, weary-eyed  
Crying in the night, teary-eyed  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Wonder when I'll find paradise  
Somewhere there's a home sweet and nice  
Wonder if I'll find happiness  
Never give it up now I guess  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
There's no need to search anywhere  
Happiness is here, have your share  
If you know you're loved, be secure  
Paradise is love to be sure  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto  
Don't you know that it's true  
That for me and for you  
The world is a ghetto
