Hello (Relanium Remix)

Dragonette & Martin Solveig

I could stick around and get along with you Hello

It doesn't really mean that I'm into you
HelloYou're alright but I'm here darling to enjoy the party
Don't get too excited cause that's all you get from me
HeyYeah I think you're cute but really you should know
I just came to say hello

Hello, hello, helloI'm not the kinda girl who get messed up with you

I'mma let you try to convince me to

Hello
Its alright I'm getting dizzy just enjoy the party
Its okay with me if you don't have that much to say, heyKinda like this thing but there's something you should know

I just came to say helloHey, heyI could stick around and get along with you

Hello

It doesn't really mean that I'm into you
HelloYou're alright but I'm here darling to enjoy the party
HeyI just came to say hello
Hello, hello, helloI'm not the kinda girl who get messed up with you

Hello

I'mma let you try to convince me to

Hello

Its alright I'm getting dizzy just enjoy the party
Its ok with me if you don't have that much to say, heyKinda like this thing but there's something you should know

I just came to say hello
