

Headlong Flight

Rush

All the journeys of this great adventure
It didn't always feel that way
I wouldn't trade them
Because I made them
The best I could, and that's enough to say
Some days were dark
I wish that I could live it all again
Some nights were bright
I wish that I could live it all again
All the highlights of that headlong flight
Holding on with all my might
To what I felt back then
I wish that I could live it all again
I have stoked the fire on the big steel wheels
Steered the airship right across the stars
I learned to fight, I learned to love and learned to feel
Oh, I wish that I could live it all again
All the treasures, the gold and glory
It didn't always feel that way
I don't regret it
I'll never forget it
I wouldn't trade tomorrow for today
Some days were dark
I wish that I could live it all again
Some nights were bright
I wish that I could live it all again
I have stoked the fire on the big steel wheels
Steered the airship right across the stars
I learned to fight, I learned to love and learned to feel
Oh, I wish that I could live it all again
(The days were dark
And the nights were bright
I would never trade tomorrow for today)
All the highlights of that headlong flight
Holding on with all my might
Some days were dark
I wish that I could live it all again
Some nights were bright
I wish that I could live it all again
I have stoked the fire on the big steel wheels
Steered the airship right across the stars
I learned to fight, I learned to love and learned to feel
Oh, I wish that I could live it all again
I have stoked the fire on the big steel wheels
Steered the airship right across the stars
I learned to fight, I learned to love and learned to steal
Oh, I wish that I could
Oh, I wish that I could live it all again
