

C'mon!

Keith Anderson

I gotta diesel on my sleezebend
Plowin up a cloud of dust
I just called my buddy steve
He's been haulin here from dawn til dust
And cotton pickin ricky said he's ready for a cold beer
Kimmi called me from a party and said get it in gear
We got long necks and long legs waitin for ya over hereC'mon c'mon
We been knuckle bustin back breakin head achin all week long
C'mon
Hey were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon aww c'mon
Drew brought his homebrew, a little bit 'll getcha lit up
And the twins are here from school lookin good in thier 6 inch pumps
Tommys tanked up spittin game like an oceaner
And that rockin little red head whispered in my ear
Lets go off into the river bed and get outta hereC'mon c'mon
We been knuckle bustin back breakin head achin all week long
C'mon
Hey were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon aww c'mon
C'mon c'mon
We been knuckle bustin back breakin head achin all week long
C'mon
Yeah were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon yeah c'monWhooo
