C'mon!

Keith Anderson

I gotta diesel on my sleezebend
Plowin up a cloud of dust
I just called my buddy steve
He's been haulin here from dawn til dust
And cotton pickin ricky said he's ready for a cold beer
Kimmi called me from a party and said get it in gear
We got long necks and long legs waitin for ya over hereC'mon c'mon
We been knuckle bustin back breakin head achin all week long

Hey were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon aww c'mon

Drew brought his homebrew, a little bit 'll getcha lit up

And the twins are here from school lookin good in thier 6 inch pumps

Tommys tanked up spittin game like an oceaner

And that rockin little red head whispered in my ear

Lets go off into the river bed and get outta hereC'mon c'mon

We been knuckle bustin back breakin head achin all week long

C'mon

Hey were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon aww c'mon

C'mon c'mon

We been knuckle bustin back breakin head achin all week long C'mon

Yeah were lookin for some lovin and a sip of somethin strong
Gonna get it right even if it's wrong
We gotta get it fore the gettins gone
C'mon yeah c'monWhooo
